Mesa Lab

To Mark The

**50<sup>TH</sup> ANNIVERSARY  
OF THE NCAR MESA LAB**

*"With your help, I know that we can create, around this  
building as a focus, a research program of the highest  
quality, dedicated to the common goal of progress of  
the atmospheric sciences."*

—Walter Orr Roberts,  
founding president of UCAR and director of NCAR  
May 10, 1967, at the dedication of the NCAR Mesa Laboratory
